

Upcoming ENERGY STAR Web Training Sessions for the State of Colorado

Join the U.S. Environmental Protection Agency (EPA) Region 8 for two online training sessions designed to help Colorado local governments, K-12 schools, and associations seeking to increase the energy efficiency of their facilities.

Performance Contracting and Financing: Making it Work for You

Wednesday, December 2 | 11:00 AM – 12:30 PM MST

Negotiating a performance contract can be a daunting task. This presentation looks at statutory requirements, structure and components of an energy performance contract, and questions to ask when entering into a contract. The presentation will also address financing options and the new ENERGY STAR Cash Flow Opportunity Calculator, a tool that quantifies the cost of delaying upgrades and installation.

Presented by Patty Crow, U.S. EPA Region 8 and Neil Zobler, Catalyst Financial Group.

Responding to the Climate Change Imperative: Setting Energy Use Targets with ENERGY STAR

Wednesday, January 13 | 11:00 AM – 12:30 PM MST

This presentation illustrates the use of EPA's online building energy performance rating system, Target Finder, which enables design teams to determine a target for annual energy use that corresponds to a user-selected, superior level of energy performance. The presentation identifies actions at each stage of the design process that focus attention on energy and help to accomplish an integrated building design process. Using Target Finder to help design new buildings can help K-12 school districts meet the requirements of the Colorado CHPS Criteria, a state-specific benchmark system for the design and construction of high performance school buildings in Colorado.

Presented by Patty Crow, U.S. EPA Region 8, Karen Butler, U.S. EPA, and Steve Jurovics, The Cadmus Group, Inc.

To register for these presentations, please:

- Visit <https://energystar.webex.com/energystar> and click on the session title you wish to register for under “**Training Center.**”
- Click on the link for “**Registration.**”
- Complete the contact information on the next page.
- Save the confirmation e-mail (sent by messenger@webex.com) with the information needed to participate in the presentation, which will be sent to the e-mail address you have specified. Please check your spam e-mail filter if the message does not appear in your inbox.
- Click on the link provided in this e-mail and join us at least 15-minutes prior to the start of the presentation.

If you have any questions about this presentation or the registration process, please contact Amy Castellano at acastellano@cadmusgroup.com.
